Objective

As a fresh graduate, my objective is to improve my skills and to gain more experience and to create user-friendly and efficient websites that are visually appealing and easy to navigate. I utilize my skills in HTML, CSS, JavaScript, and PHP to develop websites that meet all the requirements of the client. I want to use my knowledge to influence others and I will do my best to finish my projects well and beautifully.

Skills

- Web Design
- Design Thinking
- Wireframe Creation
- Front End Coding
- Problem-Solving
- Computer Literacy
- Project Management Tools
- Strong Communication
